Keira's LIFE WAS CHANGED THROUGH THE POWER OF THE HOLY SPIRIT

Born into a strong Catholic family, I was christened as a baby then later confirmed to be told that I had received the Holy Spirit. Nothing changed for me, I continued with my life as it was and attending church every Sunday. In 2017, a workmate told me about his experience with God and the miracles in his life. It was the first time that I had ever heard about evidence of the existence of the Holy Spirit and was shown it in the same Bible I read in the Catholic Church. Even though I attended several Revival Fellowship meetings and liked what I saw, I held on to my Catholic ways. It was while visiting my family in Vietnam where I attended mass every day for 2 weeks that I realised what I was doing was not as written in the Bible.

Shortly after returning to Australia, I was baptised by full immersion and received the Holy Spirit, as the Bible describes, with the evidence of speaking in tongues. I was amazed, God was no longer some abstract concept in my life, He was very real. My life is truly being blessed now, I am happily married and excited for the future we share together confident in our relationship with God and His continued guidance in our lives.

CALL TO ME, AND I WILL ANSWER YOU, AND SHOW YOU GREAT AND MIGHTY THINGS, WHICH YOU DO NOT KNOW...

Dave & Erin HAVE A FIRM FOUNDATION FOR BRINGING UP THEIR FAMILY

We both grew up in Spiritfilled families and saw many wonderful miracles during our childhood. We each received the Holy Spirit and began to speak in tongues after asking God for the same power we saw in the church. We have experienced many miracles just as we read in our Bibles.

We face all of the challenges young parents do bringing up children, but have continued to enjoy the peace and confidence God provides through the Holy Spirit. Whenever we have a problem we can pray to God by speaking in tongues and see miraculous things happen. If we are unsure in a situation, we have the Scriptures to guide us in the right direction. We praise God for giving us a life full of joy and contentment.

I AM LEAVING YOU WITH A GIFT - PEACE OF MIND AND HEART. AND THE PEACE I GIVE IS A GIFT THE WORLD CANNOT GIVE. SO DON'T BE TROUBLED OR AFRAID...

John 14:27

Jan WAS HEALED OF TUMOURS ON HER LIVER AFTER PRAYER

I felt an emptiness inside me that drugs, alcohol and relationships could only temporarily fill. Even though I had attended churches in the past, it wasn't until I was 45 that I was shown passages in my Bible that said I needed to repent, be baptised and to receive God's Holy Spirit. I did this and when I received the Holy Spirit I spoke in tongues and my life changed that day. I became full of God's joy and peace that has never left me.

Even when I was told that I had liver tumours that peace remained. While others felt afraid for me, my Spirit filled fellowship and I felt only calm faith as we prayed for the healing God promises to His people. Six weeks later the doctor re-diagnosed the lumps as benign and six months later they were totally gone, something the doctor said just doesn't happen. I am so thankful for all the help the Lord gives me in every way in my life.

..FORGET NOT ALL HIS BENEFITS: WHO FORGIVES ALL YOUR INIQUITIES, WHO HEALS ALL YOUR DISEASES, WHO REDEEMS YOUR LIFE FROM DESTRUCTION..

Psalms 103:2-4

Ben WAS FREED FROM HIS DRUG ADDICTION WITH NO WITHDRAWAL SYMPTOMS

I grew up attending the Revival Fellowship with my parents, hearing the Bible stories and promises. When I was 12 years old I prayed to God that he would give me his Holy Spirit. I miraculously spoke in tongues and was then baptised by full immersion, just as Jesus was. Mixing with the wrong people and not really understanding what God had given me, I stopped attending church and found myself in a life of drug abuse and crime. In my early 20's I developed an addiction to Methamphetamine leading to suffering severe anxiety, paranoid psychosis and profound hopelessness. In desperation, I called out to God for help and started praying in tongues, the language He had given me 15 years previously when I received the Holy Spirit. I also started reading my Bible and recalling the promises with a renewed appreciation. My prayer was answered and my addictions stopped with no withdrawal symptoms. I started attending church once more, this time grateful for what God has given me and the opportunity to start again.

I am now happily married to my childhood sweetheart, working and raising a family, something that seemed impossible in the life that I had fallen into as a teenager. I am so thankful and owe so much to God for turning my life around.

COME TO ME, ALL YOU WHO LABOUR AND ARE HEAVY LADEN, AND I WILL GIVE YOU REST
